Bailment Contract L-10

Lockheed Aircraft Company  
Burbank, California

Attention: Mr. Clarence L. Johnson

Dear Sir:

The subject of this letter is Bailment Contract L-10 and the utilization of the C-47 airplane bailed to Lockheed Aircraft Corporation thereunder.

Pursuant to Paragraph 4 of subject contract, you are hereby authorized to utilize the C-47 airplane, Serial 42-23520, for purposes of flight testing certain "radio" gear being produced for the Government by another manufacturer, and you are authorized to cooperate with such manufacturer in any required air or ground tests to be conducted at various places in the continental United States. Such cooperation shall include the furnishing of a qualified pilot or pilots, service and maintenance of the aircraft, and any other necessary service incident to and necessary for the successful completion of the equipment tests.

Costs in connection with the service to be provided hereunder shall be charged in the same manner as have been previous costs under subject contract.

Very truly yours,

CONTRACT APPROVAL

Contract No. SP-1913

As a follow-up of verbal approval previously granted to proceed with restoration and modification of the C-47 airplane in preparation for an anticipated "Radio" flight testing program, and pursuant to your price quotation for C-47 preparation and for the test program dated 30 January 1956, as further amplified in your letter of 5 March 1956, with attachments, approval is hereby given to charge to Contract No. SP-1913 necessary costs in connection with such C-47 preparation, estimated at \$21,100.00, and necessary costs in connection with the test program, estimated at \$15,850.00.

Approval to utilize the C-47 for the test program is hereby granted.
